GALLOCANTA [THE CRANES PARADISE]

BIRD WATCHING IN SPAIN DURING AUTUMN AND WINTER

In 1995, the ornithology lodge was built by allucant, a tourism enterprise for birdwatcher. The main aim is keeping the Callocanta lake and the cranes in touch with all the naturalist.

The comfortable building with a modern design is perfectly placed according with the landscape and surrounding with splendid sightseeing.

Allucant, member of the SEO-Birdlife society and others organizations for the local conservation, will be the perfect host in your visit at Gallocanta.
